GSA Office of Fleet Management Vehicle Purchasing Division

- Contracts are awarded using full and open competition directly with the Original Equipment Manufacturers (OEMs) and their representative suppliers/dealers
- According to 41 C.F.R. § 101-26.501, GSA is the **mandatory** source of supply for the purchase of all new non-tactical vehicles for all federal executive agencies and the Department of Defense
- We leverage the government's buying power to purchase more than \$1 billion in vehicles and automotive products annually at significant savings for customer agencies
